Personal Service Contract -

25X1A

1. I am returning your memorandum, and attached copies of Form 57 and Personal Service Contract for Subject. This is the matter we discussed by telephone.

2. I understand that Subject has notified the Army Retirement Section of days employed by this Agency and will continue to do so. The Army is not making pension payments for such days. In view of the action taken by Subject, there is no question of dual compensation. It is noted that the reason for retirement was not apparently due to disability incurred in time of duty, as the exception in the statute would require.
